STATEMENT OF SUBSTANCE OF INTERVIEW SUMMARY

At the request of the undersigned, Debbie Nast, from my office, thanks the Examiner for the courtesy of the telephone interviews held on March 31 and May 1, 2008.

According to Ms. Nast, the substance of the interviews included a discussion regarding the incomplete Notice of Non-Compliant Appeal Brief ("Notice"), issued by the U.S. Patent and Trademark Office on February 20, 2008. As the Notice was received missing page 2, a request was made to the Examiner to re-mail a complete Notice and re-start the docket clock.

The Examiner agreed to send the missing page of the Notice and re-start the docket clock during the interview held on March 31, 2008.

During the interview of May 1, 2008, Examiner Pan stated that he had received approval from his supervisor to re-mail the complete Notice, but that contrary to his early statement that he would re-start the docket clock, his supervisor denied that Applicant request.

Respectfully submitted,

Date: June 2, 2008
